#### WINE STYLE

Unique & pioneering Priorat white wine

Fluid and glyceric aspect. Color lemon yellow. Aromas of white peach, lychees, tropical fruit and also white flowers. Fresh and balanced mouth. Its alcohol is integrated and provides volume. Medium body and flavor with smoothness. long finish.

#### CLIMATE CONDITIONS

The year began with a mild winter with little rainfall. Budding was a few days earlier than previous vintages, but it was correct, as was flowering, which was at the end of June. The summer was very hot and this caused the harvest to be brought forward to the end of August.
