Soil : mountainous terrain with “llicorella” (Priorat silty and stony black Slate)

History : first vineyards planted by the Pasanau Family ancestors and improved by Ricard Pasanau 29 years ago

VARIETIES & VINIFICATION

54% Carinyena, 46% Garnatxa Negra

Harvest in boxes mid-September

MATURING

18 months in French oak barrels (225 L)

BOTTLING

March 2024

CLIMATE CONDITIONS

The year 2021 began marked by the storm in the form of snow, coming from the Filomena squall.

Some temperature peaks were recorded between the end of winter and the beginning of spring, which caused the vines to bud during the first week of April.

Right at the beginning of the harvest, during the third week of August, the rains that fell for two weeks caused a slowdown in ripeness. A situation that changed radically from September 15, when it returned to the characteristic Mediterranean climate of the Priorat, which greatly benefited the evolution of the harvest, which lasted until the end of October.

WINE STYLE

“Vi de Paratge Los Torrents2021” evokes its terroir’s fruitiness and lightness without losing Priorat’s uniqueness
